Thank you for inquiring about the Seal Beach Playgroup. We're excited that you are interested in joining our community and becoming a part of our parent participation preschool! A cooperative preschool is a unique organization – its very existence is dependent on the time, energy, and enthusiasm parents are willing to commit.

For this reason, Seal Beach Playgroup requires the following of its parents:

- Work in the classroom each month (Junior parents work 1-2 days per month; Senior parents work 2-3 days per month)
- Hold a job within the organization
- Ensure that your child's vaccines are up to date before they start school
- All working adults must have a current pertussis & MMR vaccine, TB clearance, and flu shot waiver or vaccine
- Attend a general parent meeting on the first Wednesday evening of each month
- Attend one of the scheduled clean-ups
- Contribute their time and financial resources to the fundraising requirement of \$450 per family, annually (The Scrip program is also available to help fundraise.)
- Pay a one-time \$150.00 security deposit that will be fully refunded if you are in good standing when you leave SBPG
- Pay a one-time non-refundable \$115 Registration Fee that holds your child's spot for the up and coming school year.
- Pay a \$50.00 supply fee
- Pay monthly Tuition (Juniors \$165/month, Seniors \$200/month)

Participation in a cooperative preschool demands more from parents than an ordinary preschool setting. The rewards, however, are also greater. Not only will you have the opportunity to observe and support your child as they participate in a new and exciting learning experience, you will also find an emotionally supportive parenting environment for yourself.

First, you can go to www.jovial.org/sbpg/hello to complete your Waitlist Application.
